

Please join African Parks and The Landbanking Group for a roundtable discussion.

# The Verifiable Nature Unit

*Developing a New Currency for Nature to value nature and reward its management, we need a holistic mechanism that enables reliable outcomes-based transactions at scale, turning conservation and restoration into a formal and competitive economic activity.*

*The roundtable will convene like-minded organisations to showcase that transparent outcomes-based nature funding is achievable and discuss how to accelerate progress.*

**Friday, October 25, 2024**

17:00 – 18:00 pm

**COP 16**

**Cali, Valle Del Cauca, Colombia**

Blue Zone,

NPI Pavilion

**RSVP**
